**Aspects of behaviour under this Policy**

**All members of the School community are expected to show**

**Respect for the School upholding the Schools values, not bringing the School into disrepute**

**Responses to student behaviour**

**Restorative responses and/or consequences will be applied if any member of the School community is impeding the right and opportunity of others to learn and be nurtured in a safe and orderly environment.**

The student may be suspended for a period of one to three days during which time, as determined by the Principal and following a suspension, there will be a meeting involving the student, his/her parent/caregiver, Principal and the student's teacher:

Prior to a suspension being implemented the Principal may consult other staff to ensure that an external suspension is the most effective way of dealing with the situation

Should these measures not result in improved behaviour, the School will conduct a review of the student's position at the School which may lead to expulsion

### **Expulsion**

Notwithstanding the process in clause 12 above, the Principal may expel a student in the following circumstances
